**On a motion made by Ms. Fastiggi, seconded by Mr. Davis, the Board voted unanimously to approve the minutes of September 10, 2020 as presented.**

**ITEM 3:      VSERS Experience Study 2020**

Mr. Strom presented the 2020 VSERS Experience Study, explaining that typically experience studies are conducted every 5 years. The last experience study was conducted in 2016 and the current study is based on the 5-year period between July 1, 2014 - June 30, 2019. The report contains recommendations to the Board on each assumption and the Board can adopt all, none, or some of the recommendations made.

Mr. Strom first highlighted the economic assumptions contained in the report and recommendations put forward by Segal for changes. The economic assumptions include inflation, investment return, salary increase, payroll growth and COLA. Mr. Strom explained the recommendations for the economic assumptions. Segal consulting recommended adopting an inflation assumption of 2.30% from the current 2.50% and lowering the investment return from 7.50% to a value between 7.00% and 7.25% which would increase the actuarially determined contribution. Mr. Strom explained that they are recommending a minor increase to the salary scale, no change to the payroll growth assumption, and a reduction in the COLA assumption from 2.55% to 2.40% for Groups A/C/D and F and from 1.40% to 1.35% for Group F member retired after July 1, 2008.

Mr. Strom identified and explained the demographic assumptions including changes to the mortality tables for retirees, beneficiaries, and active employees. Other demographic assumptions discussed included retirement, termination and disability. After explaining the demographic assumptions, Mr. Strom highlighted the cost impact these changes would have on the actuarial accrued liability and the FY21 actuarial determined contribution.

The Board discussed the recommended changes with the actuaries and confirmed that the investment rate of return must be established in coordination with VPIC, VSTRS, and VMERS.

**On a motion made by Ms. Pearce, seconded by Mr. Wisner, the Board voted unanimously to accept the VSERS 2020 Experience Study report as presented and to adopt all recommended assumption changes contained in the report with the exception of the investment rate of return assumption.**

**ITEM 4:      Other Business**
